EXPERIENCE

Regimental Operations and Exercise Planner
2D Cavalry Regiment

Rose Barracks, Germany
June 2020-Present

Lead operations planner for Saber Guardian 21, a theater-level, multi-national exercise in Hungary
Lead planner for Dragoon Ready 21, a brigade-level, combat training center rotation in Germany.
Planner for contingency and crisis-response missions.

Liaison Officer to 7th Army Training Command
2D Cavalry Regiment

Tower Barracks, Germany
February 2020-June 2020

Maintained shared understanding between brigade staff and the commanding general’s staff.
Analyzed the initial spread of COVID-19 and wrote a position paper with recommendations for command policy.

Squadron Intelligence Officer
1st Squadron, 2D Cavalry Regiment

Rose Barracks, Germany
December 2018-February 2020

Supervised an office of six analysts who managed squadron security functions, conducted tactical intelligence analysis, and unmanned aerial vehicle operations.
Lead planner for theater-level, multi-national exercise (Saber Guardian 19) in Hungary and Romania.
Planner for Kriegsadler 2, the first significant exercise in France since 1966.
Designed training scenarios for exercises in Germany, France, Hungary, and Romania.
Designed a series of personnel evaluation surveys, analyzed the data, and created a novel way of visualizing the results using kernel density estimation.

**Regimental Assistant Intelligence Officer
2D Cavalry Regiment**

Coordinated and synchronized six squadrons moving across four countries from Germany to Estonia (Saber Strike 18).

Designed training scenario for a live fire exercise for Battle Group Poland involving 1100 Soldiers from the US, Poland, the UK, Croatia, and Romania.

**Squadron Assistant Intelligence Officer
5th Squadron, 7th Cavalry Regiment**

Directly advised the commander on the enemy situation and information collection during a brigade-level combat training center rotation (NTC).

Deployed to Germany, Poland, and Hungary as part of Regionally Allocated Forces in support of Operation Atlantic Sentry.

Served as a Scout Platoon Leader responsible for 25 scouts and 6 Bradley Fighting Vehicles through multiple echelons of training before women were allowed to serve as armor officers.

Planned visits from multiple senior and flag US and Polish officers and the Secretary of the Army.

**Training Analyst
U.S. Army Aviation Center of Excellence**

Built a proof-of-concept model incorporating data from more than five sources to calculate the cost per student across all flight courses which was later developed into a permanent program with a dedicated analyst to operate it.

Analyzed multiple years of flight data to measure contract efficiency.

Redesigned a database to manage professional contacts for the commanding general's staff.

**Rose Barracks, Germany
May 2018-December 2018**

**Fort Stewart, Georgia
September 2016-July 2017**

**Grafenwoehr, Germany
Bemowo Piskie, Poland
Veszprem, Hungary
March 2016-September 2016**

**Fort Rucker, Alabama
January 2015-July 2015**

SKILLS

Software	Microsoft Office, Power Bi, MATLAB, SolidWorks
Programming Languages	SQL, R (self-taught)
